Girls 2004 | Oldest player born 01/01/2004

IMPORTANT:

- Girls can play in boys divisions; however, boys may NOT play in girls divisions.
- A player can play up an age group, but no player should play down an age group. These rules are strictly enforced and those who fail to abide by these rules will have their team disqualified from the tournament.

Depending on team registrations we may mix some divisions to make for a more competitive and fun tournament. If this is to happen teams will be notified ahead of time.
